THE SALEM NEWS

LOCATE IN SALEM
No better point in Ohio for manufacturing, and more industries are wanted.

THIRTY-SECOND YEAR No. 30 TEN PAGES SALEM, OHIO, THURSDAY, FEBRUARY 5, 1920 TWO CENTS—DELIVERED 12c PER WEEK

GOVERNOR MAY CALL SPECIAL SESSION OF LEGISLATURE

State Solons Quit After Thirteen Months of Futile Effort to Enact Revenue Laws

Columbus, Feb. 5.—(Special.)—Following adjournment of the legislature Republican leaders believe Governor Cox will call a special session, with a request that it enact additional taxation measures.

For 13 months the legislators have worked on taxation bills. Appropriations for the two years ending July 20, 1921, exceed the estimated state income by several million dollars, but the legislature has been unsuccessful in enacting laws which will take care of the situation.

Hope of enacting a permanent taxation program fell through when the house defeated the debt limitation amendment last evening. Leaders in the house decided it was useless to bring to a vote the proposed classification and income tax amendments.

Republican leaders in the senate wanted to recess today until April 20.

The emergency relief bill, authorizing cities to issue bonds to raise the revenue for operation during 1920, has been signed by Governor Cox.

OUTSIDERS CLOG COLUMBIANA COUNTY DIVORCE COURTS

Lisbon, Feb. 5.—"Should the subject be confined closely to Columbiana county, that is to say, reference made solely to Columbiana county people, an exceedingly small number of divorce cases would be filed. In fact, as the records now show for some years past, very few Columbiana county people seek separation. What better proof could be offered indicating that Columbiana people are happily married?"

Thus declared Judge James G. Moore of the Columbiana county bench, and that he is happy in this thought goes unchallenged

At least 75 per cent of the divorce cases entered in the Columbiana county courts are filed by the ill-mated either of whom come into the county from other parts, mostly adjoining states, and establish a "legal residence" which under the existing laws requires only 30 days.

Numerous cases have been filed here during the first half of the fiscal year by people who come into the county from either West Virginia or Pennsylvania. Of the seven cases for divorce action designated by the Ohio laws, the greater portion of the cases entered in this county indicate wilful absence, for it is claimed by attorneys that this "cause" covers a "multitude of sins."

Court records prove that uncontested actions for divorce are most usually successful for the plaintiff. A few witnesses appearing in behalf of the plaintiff and testifying to the truth of allegations set forth by the petitioner as being truthful, and with no witnesses appearing to disprove such statements, the court, therefore, can only be guided by the testimony in hand.

In the matter of contested divorce

(Continued on page 10)

CALL MEETING TO DISCUSS REORGANIZATION OF OLD FAIR ASSOCIATION

First steps towards the organization of a fair association were taken today when announcement went out of a meeting next Tuesday evening at 7:30 at the rooms of the Chamber of Commerce, the purpose of which will be to revive the old time Salem fairs.

Invitations are extended to every one in the city who is interested in the project, and to all the grangers and Jersey breeders in the surrounding country.

The present owner of the old fair grounds has set a price on the grounds and those who are interested believe that the place can be bought at a reasonable figure.

While no definite plans as to the equipment of the grounds have as yet been made, tentative plans call for the construction of horse sheds and buildings for an art hall and other purposes. However, definite decision will be made later. That it would be a good proposition and that the people of Salem and vicinity are interested in it was pointed out this morning. It was stated that leading men of the Jersey Breeders association in this section have said that if the fair grounds can be rehabilitated the association would conduct an exhibit of Jersey bred cows here each year that would attract crowds from all sections of the country. The region is already noted all over the United States for its record of Jersey cattle, and Salem is ideally located as the best place for holding such an exhibition.

Aside from the Jersey cattle feature, it is believed that a great deal of interest can be created in organizing and preparing for an annual fair such as used to be held here. There would be also the advantage of a race track, the equal of which is not in this or other nearby counties. The track is now in a fairly good condition and would require but little work to put it in perfect condition. The Salem track is known as the fastest half-mile track in this section of the country, and if reopened it would attract good horses.

Mildred Holloway

Winona, Feb. 5. — Pneumonia claimed its first victim here, since the influenza epidemic broke out this winter, Thursday, when Mildred Holloway, three and one-half months old daughter of Mr. and Mrs. Howard Holloway, died at 10 a. m. She had only been sick a few hours. Surviving are the parents, her twin sister, Mabel, and two older sisters. Funeral service will probably be on Saturday afternoon.

Seriously Ill

Edward Moore, 122 Ohio avenue, is confined to his home on account of illness. It was reported today that his condition was serious.

Rachel Stratton, little daughter of Mr. and Mrs. Walter Stratton, of Winona, is quite ill from influenza.

RAILROAD WAGE DISPUTE NEAR ADJUSTMENT TODAY

Washington, Feb. 5.—(Special.)—The railway wage parley between Director General Walker D. Hines and representatives of the brotherhoods and allied groups today entered the third day of negotiation, with the prospect that the conferees were nearing a basis for agreement on main points in dispute. Overnight the labor leaders had had time to go more fully into high cost of living data, offered as a supplement to the government's program for effecting a remedy for the men's grievances.

Director General Hines on the government's side, entered the conference when it opened, prepared to combat the claims of some of the group leaders that the increases given to railroad workers had not kept up to the level maintained generally in other industries.

Mr. Hines takes the position that the pay per hour to railroad workers makes a reasonable comparison, on the average with the wages paid in private enterprises.

RED CROSS DOING FINE RELIEF WORK

Efficient work is being done by the Civilian relief department of the local Red Cross in the present epidemic of influenza and grip. Besides the Public Health Nurse, Miss Grace Donsing, two other visiting nurses are employed. In cases where the whole family is suffering from the malady and there is no one to prepare food, soup is being provided by this department

There is a need for good plain clean bedding for use in families where there is sickness, and old worn comforts and blankets will be acceptable. These can be left at the Community House, 88 Depot street, or they will be called for if Bell phone 219 is called.

E. S. Shreves and Thomas Rowe, salesmen from Pittsburg, were in the city today on business.

L. E. Wagstaff, of Columbus, is spending a few days in this city on business.

MINOR NEWS

ANTI-REDS WIN GREAT VICTORY

Archangel, Russia, Feb. 5.—(Special.)—A wireless dispatch from Odessa today reports a great victory for the Russian volunteer army over the Bolshevic forces which have been driven back across the Don river. The finest cavalry of the Reds are in disorderly retreat the message says.

TABERNACLE MEETINGS IN SEPTEMER

East Liverpool, Feb. 5.—The Ministerial association of this city announced today that a union evangelistic campaign will be held here early in September and that preparations for the same will be begun at once. A committee has been named to select and secure an evangelist of national reputation. Several sites have been suggested for the location of the tabernacle but no choice has yet been made.

GREEN IS ACQUITTED

Steubenville, Feb. 5. — George Green, 62 years old, of Brilliant, was acquitted by a jury here today of the murder of Vincent Selich, aged 13, who was killed when Green fired blindly into the darkness to frighten boys away from his orchard. The jury was out one hour.

OHIO VALLEY PUBLISHERS ORGANIZE

East Liverpool, Feb. 5.—At a meeting of the newspaper publishers of the northern Ohio valley, held Wednesday at the Elks' club, following lunch at 1 o'clock, the Northern Ohio Valley Publishers' association was organized.

The object of the association is for the purpose of promoting the mutual interests of the newspaper publishers if the northern Ohio valley in the purchase of news print paper, the adjustment of labor problems, and the discussion of methods of handling circulation and advertising.

POLANR WILL SEEK MUNITIONS

Berlin, Feb. 5.—(Special.)—It was reported from Warsaw today that Poland will soon request Germany to supply her with war materials to fight the Russian soviet army. The Poles are said to be destroying all German monument in the plebiscite territory in Silesia.

PHONE MERGER PROPOSED

East Palestine, Feb. 5.—Merger of the two telephone systems operating in East Palestine is to be attempted by the chamber of commerce, according to announcement made by Managing Secretary C. R. Moulton Wednesday.

HEARING FEBRUARY 26 ON EAST COUNTY ROAD

Lisbon, Feb. 5.—A public hearing is to be held in the court house at Youngstown at 1 o'clock, February 26, for the purpose of determining the best highway route to improve between East Liverpool and Youngstown. A. R. Taylor, state highway commissioner, will be present.

The most direct route between the two terminal is decided by the state highway department, but with reference to the greatest benefits to be given the largest number of people. County surveyors say that the most direct route betwen East Liverpool and Youngstown is only 37 miles.

As now planed, this inter-county road would extend from Youngstown south to North Lima, thence to East Fairfield and on to Rogers, Clarkson and Calcutta and into East Liverpool.

A considerable portion of this route is already improved, and state funds are available for other extensions.

Columbiana county will have an active representation at the Youngstown hearing. The main point to be decided upon at this hearing is "what will prove the most agreeable route."

The county commissioners have been advised of the meeting and they will attend together with representatives from the office of the county surveyor.

GERMANY REPEATS NOTE OF COUNTER DEMAND

London, Feb. 5. — (Special.)—The German cabinet has decided to send another communication to the allies insisting upon the terms contained in the German note to the entente on January 25, according to an Exchange Telegraph dispatch from Copehagen today.

The German note of January 25 protested against the extradition of the German officials accused of war crimes and made the counter proposal that they be tried before a German tribunal with allied representatives present.

Mrs. George Williams and daughter, Eleanor, of Alliance, were visiting relatives in this city for a short time.

Bust of Edison

ROUTOLO'S BUST OF EDISON ATTRACTS ATTENTION

The heroic bust of Thomas A. Edison, by Cnorio Ruotolo, noted Italian sculptor of New York, which is said to be the most striking and life like portrayal of America's electrical wizard ever made. Mr. Edison will celebrate his seventieth birthday on February 30. Ruotolo attracted much attention by his famous "Prince of Sparrows" bust of Cardinal Mercier and his bas-relief of "Belgium," which was presented to the heroic Cardinal during his recent visit to this country.

COUNTY SEAT

To Widen County Road

County Commissioners John H. Hinchliffe and John Kerr and County Surveyor Herman Armstrong will go to the south side of the county next Friday to look over the road from East Liverpool to Wellsville with a view to having the improved roadway widened between the street car line and the hillside.

Allen Case Before 11 Jurors

The case of Theda Allen against the City of Salem is proceeding Thursday with 11 jurors, by agreement of the parties to the action Jesse H. Smith, of East Liverpool, one of the jurors, was reported ill with influenza.

County Influenza Report

The figures received at the office of County Health Commissioner R. M. Schwartz from over the county Thursday morning for the 24 hours previous on the influenza situation, shows new cases as follows:

East Palestine, 16 Columbiana 8; Lisbon, 24; Hanoverton township 12; New Waterford, 2; Winona, 10; Perry township, 6. At Salem there were 74 new cases and two deaths.

Minds Already Made Up

The meeting of County Auditor C. E. Hamilton with the county commissioners set for Friday to determine whether or not there shall be a re-appraisement of real estate in this county has been predetermined, all the officials having agreed in advance that unless there is a general reappraisement all over the state none is to be made in this county. So the meeting, if held, will simply be for the purpose of making record of the fact that the action is adverse to appraising real estate. That leaves the commissioners free on that day to look after the widening of the Wellsville-East Liverpool road.

A. W. O. L. Man in County Jail

A prisoner at the county jail who was arrested at East Liverpool on the charge of stealing a cornet, and who gave his name as Roy Whitman, has confessed that his real name is James J. Haley and that he is a member of the Fortieth infantry band at Camp Sherman, and that he is absent without leave. He was given a five days' leave when he left camp and that time has long since expired. The camp authorities have been notified.

Alla Alla Company Laid Up

Two members of the Alla Alla company that gave exhibitions in the local opera house Monday and Tuesday nights, are ill with influenza and the whole company is held here until they recover. They are at the hotel and there is some talk of having to establish a temporary hospital to take care of them and some others who have no regular abode, but are ill.

Lisbon Legion Adds Members

A regular meeting of the American Legion was held Wednesday night and added six new members to the roll. There is a probability that the legion will take some action upon the discrimination made by the war department against men who entered the army for the duration of the war and in favor of the regular army officers and men. The claim is made that the regulars are to be retired on two-thirds pay when disabled while the national guardsmen, the drafted and enlisted men are to be kicked out with practically nothing.

Miss Bertha Wilde went to Youngstown today to visit relatives for the remainder of the week.

LATE FLASHES

New York, Feb. 5.—(Special.)—The exchange rate on the English pound sterling showed a little recovery today, selling this afternoon at 3.25 as against Wednesday's low record of 3.19.

Boston, Feb. 5. — (Special.)—The worst blizzard of the season, a north east gale, with very heavy snowfall hit this city today. It covers southern New England. Drifts here are four feet deep. All traffic is tied up

Denver, Col., Feb. 5.—(Special.)—Orval Harrington, employed at the mint here, was arrested today for stealing coins to the value of $100,000. He has a wooden leg and carried away his plunder in a cavity of the leg.

PROBE OF SANITARIUM DEFICIT IS POSTPONED

Lisbon, Feb. 5.—The probe of the charges of the misuse of funds at the Springfield Lake tuberculosis sanitarium which was scheduled for tomorrow has been postponed to Thursday, February 26, it was announced last night.

The postponement was made for the reason that several of the county commissioners of this and Stark county would be unable to attend the session Friday. The commissioners of Columbiana county will not pay this county's share of the expense of maintaining the institution until the charges are investigated.

Carl E. Bowman, state examiner, will be present at the probe. Mr. Bowman reported irregularities in the books of M. E. Evans, treasurer of the sanitarium, when he examined them recently, and these will receive thorough investigation.

Evans maintains that he used over $900 of his own funds for expenses in connection with the operation of the sanitarium, while the state examiner declares that there was a shortage of $4,057.19 on the books of the treasurer when he examined them. Commissioners from Columbiana, Mahoning, Stark, Portage and Summit counties will be present at the hearing and demand that a definite statement of the accounts of the institution for the year 1919 be made

NEW YORK CITY IN GRIP OF TERRIFIC BLZZARD

New York, Feb. 5.—(Special.)—A raging blizzard of wind, snow and sleet has held this city in its grip for more than 24 hours. The sleet freezing as it fell, completely paralyzed street car traffic. The heavy fall of snow was piled up by the high winds into huge drifts and the street cleaning forces was almost powerless to keep the main arteries of traffic open.

Telegraph and telephone communication was badly crippled and all trains arriving in this city from the west and from New England points were from 30 minutes to six hours late.

G. A. R. CHANGES MEETING TIME

Time of meeting for regular sessions of Trescott Post No. 10, G. A. R., has been changed from Monday evening to Saturday afternoons, it was announced this morning. This decision was reached at the regular meeting last Monday evening and announcement of the change is made today.

The next meeting of the post will be held Saturday afternoon at 2 o'clock, February 14, in the G. A. R. hall on Broadway. As the veterans of the Civil war are becoming older they find it is quite difficult for them to maintain their evening meetings, especially during the cold winter months and in order to make it convenient for all, it was thought best to abandon evening meetings.

Mrs. Anna M. Taylor

Mrs. Anna M. Taylor, 65, widow of the late Stoten A. Taylor, died at 6:30 Thursday morning at her home on Ohio avenue. She had been an invalid for a number of years.

She was born and reared at New Brighton, Pa., but had been a resident of Salem for 40 years. Her husband died three years ago. She was a member of the M. E. church.

Surviving are two children, Mrs. V. A. Cowgill and Emmor H Taylor, of Salem. Also one sister and two brothers, Mrs. Harriet Grimshaw and Robert Harris, of New Brighton, Pa., and Homer H. Harris, of Clearlake, Wash.

Private funeral service will be held Saturday at the home of her son, E. H. Taylor, 280 East Ninth street, and interment will be in Hope cemetery.

THE WEATHER

Probably light snow tonight and Friday; rising temperature Friday.

EXTRACT AND TONIC SCANDAL STIRS GOVERNMENT OFFICIALS

Enormous Withdrawals of Whisky From Bond Arouse Suspicions and Lead to Investigation

Washington, Feb. 5.—(Special.)—Enormous withdrawals of whisky from bonded warehouses by alleged "flavoring extract" and "hair tonic" makers, upon such a scale that it may reach the proportion of a scandal has led to a probe by Prohibition Commissioner Cramer as to the validity of thousands of permits already granted by the bureau.

Some of these establishments, with lurid signs and stationery, have ben able to put one over on the enforcement officers by various methods of evasion. Most of the places being probed are said to be factories in name only, and exist only as a means through which the prohimited alcohol can be procured.

REFERENDUM ON GAS QUESTION IS SOUGHT

That the Trades and Labor Assembly were not satisfied with the manner in which city council handled the gas situation was evidenced in the action taken last evening at its regular session, when it voted in favor of a referendum on the ordinance passed by city council about two weeks ago, in which the Daly sliding scale rate was to be used as a basis for prices on natural gas here.

A special meeting of the assembly is to be held Sunday afternoon at 2:30 o'clock, at which committees will be appointed for the purpose of drawing up referendum petitions.

To secure the referendum 10 per cent of the voters of this city must sign the petitions.

A referendum on the ordinance means a holding over of the gas fight for many months and that the present 55 cent rate will still be in vogue. Also it will tie the hands of the Gas company to such an extent that it will not be possible for them to conduct to any extent their preparations for locating new gas wells in this territory.

Mrs. Margaret Ann Hall

Death claimed a former Salem resident, Mrs. Margaret Ann Hall, wife of Hugh F. Hall, this morning at 2 o'clock at her home, 133 Lakeview avenue, Youngstown. Death was due to a paralytic stroke which affected her throat.

The deceased was born at Mineral Ridge 61 years ago and her early girlhood was spent in that vicinity. For 25 years she made her home in this city, and about four years ago removed with her husband to Youngstown, where they have since resided.

Mrs. Hall was the daughter of John and Laura Davis. About 40 years ago she was married to Hugh F. Hall. There were no children born to this union.

Surviving the deceased besides the husband are three brothers, Gad Davis, of Cleveland; Ben Davis, of Youngstown; Noah Davis, of Iowa, and one sister, Mrs. Homer Fitch, of Youngstown.

Short funeral service will be held at the late home, 133 Lakeview avenue, Youngstown, Saturday morning at 9:30 o'clock, and at 10 o'clock the funeral party will start for this city. It is expected to arrive here between 11:30 and 12 o'clock Saturday morning. The casket will be opened at Hope cemetery so that Salem friends and relatives may view the remains before interment.

Mrs. P. O. Lodge was called to Wellsville, Wednesday, by the serious illness of her mother, Mrs. Lucy Pitzer.

Misses Mary and Katherine Gallagher attended the funeral of the late Mrs. W. J. Lupton, in Alliance, Wednesday afternoon.

LIGHTING COMPANY SAYS POOR ELECTRIC SERVICE IS CAUSED BY COAL

Poor quality of coal is said to be the main difficulty at the Salem lighting plant, it was found at the meeting of the manufacturers and members of the city council yesterday afternoon held in the office of the Mullins Body corporation. The superintendent of the lighting plant was present at this meeting.

No definite steps were taken to improve the situation with the exception of an effort to try to procure a better grade of coal for the plant.

Discussion was continued to some length and very earnestly on the inability of the lighting company.

The situation seemed to be unimproved today for it was reported that a number of men from several of the shops had to return home this morning because of a shortage of power.

Effort to secure a better grade of coal for the lighting plant is now being made and this no doubt will be accomplished within a short time.

The superintendent of the lighting company, L. L. Ferree, said this morning that the local plant has for years used slack coal, but owing to the general shortage of bituminous coal, the operators find a ready sale for run of mine grade, consequently no slack is made. The stock of the lighting company, which was held as reserve on their yard was used up last week and they were compelled to resort to lump coal, which will not burn in a satisfactory manner in their furnaces.

Mr. Ferree advised the manufacturers at the meeting yesterday that the installation of the new boiler is now about 50 per cent complete. An addition to the spray pond has been authorized and work will be commenced as soon as the weather will permit the placing of concrete outdoors. New spray nozzles will be placed in the present pond in a very short time. A mechanical coal handling equipment is under consideration and will be decided this week. Tests are now being made at the plant to determine the capacity and size of a water supply system.

Mr. Ferree said that the company has authorized a total expenditure of $75,000 to insure an adequate and reliable service.

Condition Improved

Mrs. M. L. Smith and daughter, Mildred of Jennings avenue, who have been ill from influenza, were reported Thursday afternoon to be improving.

A. L. Fults spent Wednesday in Pittsburg on business.

Teachable Facts About Bolshevism and Sovietism

Bolshevism in America Does Not and Will Not Work

(BY C. L. SHUMWAY)

Bolshevism does not work. It never can work, because it imposes the will of one class upon all other classes.

It excludes all parties, excepting its own, from government. It is, therefore, not democratic. It is a tyranny imposing upon capital and labor alike its will.

Do you suppose labor will endure the autocracy of the Bolsheviki? I will say to you that Bolshevism is merely a new and more immortal autocracy which wishes to confiscate all property, annihilate all culture, and set up in public places a new god—the god of Ignorance.

IT IS IN VIEW OF SUCH DANGERS THAT THE "AMERICAN FIRST" PUBLICITY CAMPAIGN WAS ORGANIZED TO COMBAT THE PRINCIPLES OF BLOSHEVISM, AND PUBLISHED IN THE NEWS IN A TEN WEEKS' CAMPAIGN.

The "American First" series should sound good to any red-blooded American citizen. Dealing with facts and practical things, and to the decent workman to meet the onslaught of Bolshevism and aim to make him safe against the approach and attack of the insidious propagandist.

It is reported that a large sum of money taken from Russian treasury by LENINE and TROTZKY, is being used to bring about in the United States what happened to Russia.

WAR INCREASES BIGAMY

A most remarkable outcome of the war is the increase in bigamy which has occurred in Great Britain. One judge in Sussex has in the last three years passed sentence on more than two hundred men for this offense. It appears that the unusual susceptibility of the fair sex to the blandishments of the man in uniform, and the more than ordinary opportunities for contracting ill considered marriages on account of the massing of armies and the general breaking up of old social lines, contributed to the committing of the crime of bigamy. This is but another example of the evil influence of war on society, in that in every way it breaks down the established moral barriers, loosens the moral foundations, and invites to the doing of things which under ordinary conditions would not be considered by nearly so many persons.

A five-year-old lad of our acquaintance once in confidential manner said to us: "It's funny, isn't it? Aunt May has electricity in her hair and Grandma has gas in her stomach." The gas, owing to milder weather and conservation, has been doing better of late, but poor suffering Salem would gladly welcome electricity even where Aunt May had it, if it could only get it.

The Allies have put in form their demand for the surrender of certain outstanding offenders against all the laws of heaven and earth among the officers of the German army and navy and now it is to be seen whether the Germans have any greater respect for their word in this affair than they have evinced in some other things since they were defeated in the war.

It is the opinion of the Springfield Leader that the final acid test as to the effectiveness of prohibition will be in the spring when we learn whether Atlantic City has gotten well into the season without seeing the sea serpent. And we had all along been thinking that the whole matter was settled by that Supreme Court decision.

The ice and slush and snow are getting worse all the time, and the patience of tired humanity in this forsaken climate is being worn to a ragged edge, but it is comforting to think these days that weeding out dandelions and plantain and mowing the grass have not yet been marked up.

Governor Cox has at last let it be definitely known that he is in the race for the Democratic Presidential nomination. This accounts for the sudden brakes put on the Pomerene boom down in the neighborhood of Columbus.

If it is true, as some chemists declares, that in canned blueberries there is nine per cent of alcohol, we can see another one of our ideals falling in shattered fragments on a very hard pavement.

The Houston Post is wondering if after all, owing to the resourcefulness of the distillers, the so-called influenza epidemic is not largely political.

What the Readers of The News Read 25 YEARS AGO

(Issue of February 5, 1895.)

Joseph Post left for the east this morning.

Mrs. Harriet A. Parks, of Cleveland, formerly of this city, is ill from pneumonia.

Harry A. Quass has secured a position with his brother, J. L. Quass, the harness dealer.

Joseph Fawcett will be a candidate for the justice of the peace at the spring election.

Miss Emma Carpenter, of South Howard street, is confined to her home by illness.

Miss Alice Wagner, of Lincoln avenue, went to Alliance this morning to visit friends for a few days.

Mrs. W. L. Oliphant, of Columbus, is the guest of J. R. Oliphant and family, of Lincoln avenue.

Mrs. William Triem and Miss Gussie Haldeman went to Wellsville this morning to visit with friends for a few days.

Members of the Rebekah lodge composed a sleighing party which went to the home of Curtis Howell, near Albany, last night. All report a good time.

Rheumatism Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenrhu, the sure conquerer of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Allenrhu relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days

Mr. James H. Allen, the discoverer of Allenrhu, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed Frank Floding and Bolger & French to guarantee it in every instance.

Nashville—Sheriff A. P. Warren and his wife were arrested here today in connection with the hanging of Fred Murphy, government informer, in jail last week. Murphy informed government officials that the sheriff was operating a mountain still.

MULLINS DEFEATS COLUMBIANA IN A SNAPPY PEP GAME

The Mullins basketball team at Columbiana last night defeated the Columbiana Marbons by the score of 28 to 25. The game was one of snap and pep, and at no time was either team far enough in the lead to call it their game.

The feature was the close guarding by both teams. A. Sanders of Mullins proved to be a star, he bagging the ball four times from the field. Gilbert, of Columbiana, put the pigskin through the net eight times.

The Columbiana team wishes a return game in this city and it is probable that this will be arranged soon

The teams lined up as follows:

Mullins—A. Sanders and B. Sanders, forwards; Myers, center; Lewis Snyder and Richardson, guards.

Columbiana — Gilbert and Sipes forwards; Guy, center; Dion and Scullion, guards.

Field baskets—Gilbert, 8; A. Sanders, 4; Snyder, 2; Lewis, 2; Richardson, 2; Myers, 2; Dion and Scullion. Fouls, Lewis, 4; Sipe, 5.

"SYRUP OF FIGS" IS LAXATIVE FOR CHILD

Look at Tongue! Remove Poisons From Stomach, Liver and Bowels

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear.

Mother. You must say "California."

WHY NOT NOW?

Eventually you will recognize the results obtained by CHIROPRACTIC VERTEBRAL ADJUSTMENTS. WHY NOT NOW? You desire Health. You must have Health if you wish to succeed in this world. In solving the Health problem CHIROPRACTIC stands head and shoulders above all other methods. It gets results where other methods fail. Investigate now the principles of the science and the next time you feel "under the weather" consult your Chiropractor. Consultation and Spinal Analysis Free.

HELP TO KEEP THE "FLU" AWAY

You Can Almost Surely Avoid the "Flu" and Grippy Colds by Taking CHASCO-VIN, the Tasteless Cod Liver Oil, Hypophosphites and Iron Tonic.

There is nothing more effective in warding off winter coughs and grippy colds than CHASCO-VIN, the tasteless extract of pure Cod Liver Oil, along with Hypophosphites, Iron and Wild Cherry. It is pleasant to take and good for young and old.

Don't wait until a cough or cold gets a hold on you—then it might be too late.

You can get Chasco-Vin at the J. H. Lease Drug Co., and Floding's Drug Store.

Social and Personal

A Victory Meeting

The women of the M. E. church met at the church Wednesday and held a victory meeting. It was in celebration of the women having earned and paid into the church, since the new edifice was built, $9,000. While there were not a large number present the event was a very enjoyable one. Officers chosen to serve the Ladies' Aid society the ensuing year are:

President, Mrs. S. D. Whinnery; first vice president, Mrs. Phil Chancellor; second vice president, Mrs. H. P. Maeder; secretary, Mrs. Paul Barckhoff; treasurer, Mrs. James McNeelan.

The society in addition to other lines of work will operate through a department of service and extension. This arrangement is for the purpose of fuller systematic service to the entire parish and for the extension of the influence of the church.

—o—

Planned For Annual Social

Plans were made to hold an annual social for the members to which their husbands will be invited at a pleasant meeting of the Harriet Watt guild of the Church of Our Saviour at the home of Mrs. Charles Moff, on East Etna street, Wednesday evening. The first annual social will be an event of the near future.

Several of the members were reported among the sick, and one new member was added. A pleasing repast was served by Mrs. Moff and her associate hostesses Mrs. John Stratton and Mrs. Warrell.

—o—

Valentine Luncheon

Valentine appointments were used with pretty effect on the table and hearts were used to decorate the dining room when Mrs. William Gaunt entertained members of the Arrah Wanna circle at a one o'clock luncheon Wednesday afternoon. Covers were laid for 12 and the invited guests were Mrs. Arthur Justice, Mrs. Oscar Arbaugh, Mrs. Ralph Fawcett and Mrs. Thomas. In two weeks the members will be guests of Mrs. Eli Floyd, Franklin avenue.

DEATHS AND FUNERALS

Funeral for Mr. Cape

Mrs. C. E. Greenamyer and daughter, Miss Ethel, have returned from Pittsburg, where they attended the funeral service of their brother and uncle, Samuel Cape, Pittsburg florist, but formerly of Salem, Tuesday afternoon at the home of his sister, Mrs. Ellen Logue, at Homewood. Rev. Mr. Yates, of St. John's church, Lawrenceville, officiated at the service. Burial was in the Southside cemetery, Pittsburg.

Mr. Cape leaves a number of friends in Salem to mourn his loss. He was a member of the Masonic fraternity at Pittsburg.

Mrs. Lawrence Salsgiver

Mrs. Mamie Salsgiver, 37, wife of Lawrence Salsgiver, died at 10:30 a. m., Wednesday at Youngstown, where she lived, from bronchial pneumonia.

Mrs. Salsgiver was reared in Salem. Surviving are her husband and one brother, who lives at Pittsburg.

Funeral service will be held Sunday and the burial will be at the Lutheran cemetery in Greenford.

MOUNT UNION FIVE PLAY RETURN GAME TONIGHT

Basketball fans will see a fast game at the High school gym tonight when the Safety First five and the Mount Union team go on the floor. Mount is out to get revenge for the defeat it received here several weeks ago. It will come stronger this time by the addition of two players who at the last visit were sick. The Patricians were booked to play here tonight but on account of the illness of four of their players were forced to cancel the date. The Safety Firsts will have one new player, "Doug" Kennedy, of this year's Duquesne club, of Youngstown, and former captain of Newberry college team, champions of the South in 1913. The game will start at 8:15.

THE FAMOUS

ANGLE LAMPS

Named because of the "angle" of the burner and flame from the side instead of the top of the oil fount. The flame is in a large clear glass bowl, which cannot get smoked as it is below the flame.

One quart of oil burns 20 hours in an Angle Lamp, as compared to less than 10 hours on the same quantity in the average ordinary lamp, so in less than a year your Angle Lamp will absolutely pay back to you their original cost and go on saving money for you at the same rate.

Ask for catalog—better still, call and see the Angle Lamp at

NO TRICK TO LIFT A CORN RIGHT OUT

Says There Is No Excuse For Cutting Corns And Inviting Lockjaw

Sore corns, hard corns, soft corns or any kind of a corn can harmlessly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freezone, says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of freezone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

The simple drug, while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high-heel footwear is putting corns on practically every woman's feet.

CERAMIC CITY HIGH GIRLS CHALLENGE SALEM HIGH GIRLS

Holding the edge over the girl's teams of the county by reason of their victory over the Wellsville sextet in Wellsville Tuesday night, East Liverpool High misses challenged Salem to a series of games to decide the county championship yesterday.

The county honors lie clearly between East Liverpool and the Salem sextets, as they have proven their superiority by victories over all possible contenders for the bunting. East Liverpool High lassies suffered one defeat at the hands of Salem this season, but the showing of the East Liverpool girls was creditable.

In the event that the series of games are played to decide championship honors in the county it is probable that the first game will be played at East Liverpool, with one in Salem and if a third contest is necessary it will be played on a neutral floor.

WASTE ENERGY IS ONE ARTICLE FROM WHICH WE OBTAIN NO BY-PRODUCTS

And yet there are tons (if it can be measured that way) going to waste every day. Efficiency experts, engineers and chemists are paid large salaries by factory and mill owners to be shown how to utilize by-products and make labor saving machinery, sometimes at an enormous expense. Managers with foresight knows it will pay in the end.

More energy is wasted by strained vision than any other defect of the body. Dr. McCormic claims 85 per cent of all our ailments are due to overtaxed eyes. Better think this over and have your eyes examined by a thorough optometrist.

We have had 18 years' experience.

Conserve Your Gas Supply

Salem's natural gas supply has not been increased.

Only the mild weather of the past ten days has made adequate gas service possible.

Further protracted cold spells this winter will inevitably mean low pressure and shortage in some parts of town.

The discomfort and inconvenience of a gas shortage can be minimized if every gas user in Salem will utilize gas as sparingly and as efficiently as possible.

While the saving in the home of a single consumer may seem small, in the aggregate a considerable amount of gas will be saved, and the peak-load demand on our lines and wells will be lessened.

We ask the co-operation of every gas consumer in conserving gas in every possible manner. By so doing, he will help himself, help his neighbor and help us.

This can be accomplished if each gas user will heed the following suggestions:

(a) In cold weather, heat only the number of rooms in your home absolutely necessary to comfort. Don't attempt to heat the entire house, when two or three rooms would make you comfortable.

(b) Don't seek to maintain an excessive temperature in your home, store or office. Rooms are more healthful if kept at about 68 degrees, with proper humidity.

(c) See that the burners and mixers on your gas burning appliances are clean and properly adjusted. Dirt or improper adjustment result in imperfect combustion, and a consequent waste of gas.

(d) Be sure to shut off the gas at your cook-stove and oven as soon as you have finished cooking or baking. A large amount of gas is wasted daily in many homes through neglect to do this. Remember that as soon as a kettle of water comes to the boiling point, it can be kept boiling with about half the gas flame required to bring it to a boil.

A general observance of these suggestions by Salem gas users would reduce their gas bills, insure more satisfactory service and go far toward averting periods of low pressure and gas shortage throughout the remainder of this winter.

We ask YOUR co-operation to this end.

OPPOSE TAX ON MINERALS

Coal Producers Object to Impost on Production.

CLASSIFICATION IS UP AGAIN

May Submit Class Tax Proposal to Voters In April Primaries—Farmers Object to Early Vote—Teachers' Salary Bill on Calendar For Vote This Week—Governor Cox Considering Important Bills.

Columbus, Feb. 5.—Ohio coal producing interests will object, it is said, to a proposed law introduced in the general assembly for the placing of a tax on 1 per cent on all minerals produced in the state.

The mineral tax proposed would fall heaviest on coal producers. Ohio is one of the largest soft coal producing states in the country and if the bill which has been proposed were passed it would mean that the coal producers would have to pay a large proportion of the $1,500,000 which it is estimated the law would produce.

The proposed measure would impose a tax of 1 per cent of the total value of all minerals produced within the state. The purpose of it is to supply revenues for the state government to take the place of revenues lost by reason of the liquor tax being abolished.

Not only coal production, but each firm producing oil, gas, salt, sand, gravel, lime, gypsum, cement, clay, shale, limestone, sandstone or other mineral would be required to report to the state tax commission annually the gross amount of mineral produced during the preceding year and the actual cash value thereof.

On the first Monday in April the tax commission would certify to the state auditor the total value of all minerals produced by each company for collection of the tax of 1 per cent of the value. It is made the duty of the treasurer of state to collect the tax.

Seventy-five per cent of all taxes received would be credited to the general revenue fund of the state and 25 per cent would be returned to the counties in which the minerals were produced. The auditor would make a settlement semi-annually, in February and August.

* * *

Ohio has a new state civil service commissioner, Thadeus H. Brown, a young lawyer of Columbus, named by Governor Cox to succeed Randolph W. Walton of Columbus, who is transferred to the state board of clemency. Walton succeeds A. E. McKee on the clemency board. McKee has resigned to become editorial writer for a Columbus morning newspaper.

Whether Brown will continue to serve on the civil service commission will depend largely on the attitude of the Ohio senate, it is said. The senate refused to approve Walton's appointment and he could not continue in this position.

Governor Cox, it is expected, will send Brown's appointment to the senate this week, and if he is not confirmed then it may become necessary for the governor to find someone else for the place. It is said to be practically up to the senate to dictate the appointment as no one can be named on this commission as long as the senate is in session who does not receive the approval of the senate.

* * *

It is said that Representative James Reynolds, Democrat of Cleveland, may be named on the Ohio board of administration to succeed H. S. Riddle, resigned. Governor Cox appointed Reynolds last year to a place on the board when the term of D. C. Creamer expired, but Creamer did not leave when his term was up and the senate did not confirm Reynolds' appointment. Riddle has left the board, however, creating an actual vacancy, and Reynolds may land the position, it is said.

* * *

The legislative committee on administrative reorganization has recommended an increase in the salary of the superintendent of public instruction and that this be made effective before any change is made in the head of this department.

The term of F. B. Pearson, present incumbent, expires Feb. 15. His salary is $4,000. The legislative committee has recommended that the salary should be almost doubled.

* * *

The big school revenue measure having passed both houses of the general assembly last week by practically a unanimous vote, the teachers' salary schedule bill will be taken up this week. This measure provides a minimum salary of $800 to teachers holding regular certificates, other than temporary and emergency certificates; a minimum annual salary to teachers having two years of training, $1,000; four years, $1,200; six years, $1,400; an annual increment of $100 in salary for each year of service following the initial year up to $1,500 for the first salary group; $1,800 for the second; $2,000 for the third, and $2,500 for the fourth.

The whole purpose of the revenue measure and the salary bill is to give to children in the poorer districts of the state the same educational advantages as those received in the wealthier districts of the state. It is expected to go a long way toward solving the shortage of teachers and inducing high school pupils to take up teaching as a profession.

* * *

There is one school district in Ohio that has only about $2,000 of taxable wealth back of each pupil in the school district, while another has $120,000 for every child in school. In the poorer district there would have to be levied for educational purposes alone better than 9 mills in order to provide teachers, while in the wealthier district a tax rate of one-half mill would be necessary.

By providing for a state-wide levy of 1.8 mills the wealthier districts will help to support the poorer districts. Representatives from Cleveland, Columbus and other wealthier districts readily agreed to the proposition of the school authorities that it is important to the interests of the state as a whole that the weaker districts should be taken care of, even if the city districts do not benefit financially by such a method.

The revenue bill will be sent to Governor Cox this week for his approval.

(Continued on page 8)

MERCIER ENDORSES DRY CAUSE

Columbus, Feb. 5.—Hearty endorsement of prohibition is contained in a letter just received from Cardinal Mercier, of Belgium, by the Anti-Saloon League of America. Cardinal Mercier has been invited to address the conference of the World League against alcoholism at Edinburg next October.

"I have always had at heart the promotion of temperance and the encouragement of anti-alcohol leagues," says Cardinal Mercier's letter.

"In my Diocese of Malines a movement has been started these last years, among the clergy and laity the results of which are most satisfactory.

"I have ever considered alcoholism as one of the principal causes of misery among our people; more than once the attention of public authorities has been called to that universal plague. Fortunately, measures have been taken here to fight this enemy of mankind, and the three political parties have agreed to stem the torrent of alcoholism.

It's better to be safe than sorry that you hurried in front of the automobile truck.

PRINCE ALBERT

the national joy smoke makes a whale of a cigarette!

Copyright 1919 by R. J. Reynolds Tobacco Co.

YOU certainly get yours when you lay your smokecards on the table, call for a tidy red tin or a toppy red bag of Prince Albert and roll a makin's cigarette! You'll want to hire a statistical bureau to keep count of your smokestunts! Why, you never dreamed of the sport that lies awaiting your call in a home rolled cigarette *when it's P. A. for the packing!*

Talk about flavor! Man, man, you haven't got the listen of half your smokecareer *until you know* what rolling 'em with P. A. can do for your contentment! And, back of P. A.'s flavor, and rare fragrance—*proofs of Prince Albert's quality*—stands our exclusive patented process that cuts out bite and parch! With P. A. your smokesong in a makin's cigarette will outlast any phonograph record you ever heard! Prince Albert is a cinch to roll. It's crimp cut *and stays put like a regular pal!*

Prince Albert upsets any notion you ever had as to how delightful a jimmy pipe can be! It is the tobacco that has made three men smoke pipes where one was smoked before. It has won men all over the nation to the joys of smoking.

Awaiting your say-so, you'll find toppy red bags, tidy red tins, handsome pound and half pound tin humidors—and—that classy, practical pound crystal glass humidor with sponge moistener top that keeps Prince Albert in such perfect condition!

The New Edison

When you put music in your home be sure it is the best. Only good music will give lasting pleasure and satisfaction.

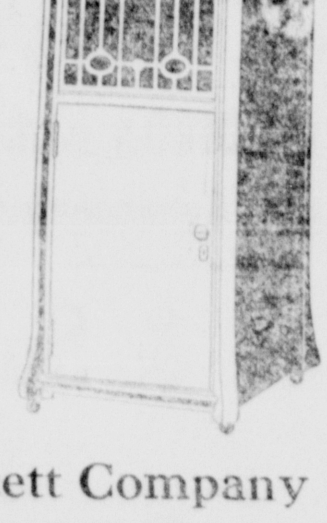
A Phonograph brings to you all kinds of music, from the popular songs and dance to the operatic, making it the most popular musical instrument of today.

THE NEW EDISON is the only phonograph that can give you this music, perfectly Re-Created with absolute fidelity of the original. Proven by actual comparison tests of the living voice or instrumental performance of the artists with the Re-Creation thereof before thousands of musical critics.

Hear this instrument, compare it with others.

Prices $41 to $350. Convenient terms arranged.

The W. G. Fawcett Company



Famous Old Recipe for Cough Syrup

Easily and cheaply made at home, but it beats them all for quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using the well-known old recipe for making cough syrup at home. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2½ ounces of Pinex from any druggist, pour it into a pint bottle and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes.

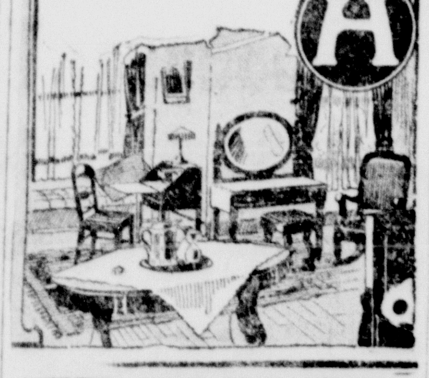
Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

The Hollenden
Cleveland

SOME people choose a hotel chiefly on the merits of its cuisine and service; some consider central location a prerequisite; while others demand first a definite degree of tone and refinement.

Whatever your particular requirement, The Hollenden will meet it in a way to satisfy you.

Single $2.00 to $4.00
Double $4.00 to $5.50
With Twin Beds:
$5.00 to $7.00



WARNING

In keeping your bowels regular do not become addicted to weakening purgatives or mineral laxatives; just try KOROLAX; safe, gentle, wholesome. Best and goes farthest. Obtainable at busy druggists, everywhere. Korolax is relief for many ailments, including constipation, headaches, dizzy spells, belching, gas, heartburn, torpid liver, bad breath, nervousness, dyspepsia, indigestion, obesity, mental and physical dullness.

OPPOSE TAX

(Continued from page 7)

A debt limitation law will be considered by the legislature this week. The joint taxation committee in recommending such a law says: "We have reached the conclusion that it is of less significance that the tax rates be tightly limited than it is that public debts be restricted."

If greater emphasis is to be placed on the debt limits it means that less should be given to the tax limits, says the committee in its report. This is on the theory that it matters far less how much a community is spending providing it is paying its way as it goes.

The amendment of the Smith law allowing local taxing districts to pay off its old debts by levying taxes for sinking fund and interest charges outside the limitations of the Smith law will enable cities and school districts to pay off their old debts, but they can not continue to pile up debts, for the provision for making these interest and sinking fund charges outside the Smith law limitation will not apply to bonds issued after Jan. 20 of this year.

* * *

The bill amending the Smith 1 per cent law and also the measure to authorize cities to issue short term deficiency bonds for 1920 expenses are expected to be submitted to Governor Cox this week for his approval. If the governor should veto these bills as he has similar measures in the past it would mean that an immediate attempt would be made to pass them over his veto. The assembly a year ago passed an emergency relief bill for cities over the governor's veto. This authorized cities to issue deficiency bonds in 1919 for 1919 deficiencies.

* * *

Ohio telephone companies are rushing before the state utilities commission to secure increase in rates before the Robinson bill, which recently passed the legislature, becomes effective. The Central Union Telephone company of Columbus filed new rate schedules with the commission this week.

Under the Robinson bill, which will become a law in about 90 days, before any utility can increase its rates it must first give public notice in the newspapers of its purpose to increase rates and then secure the approval of the utilities commission after a public hearing has been had. Under the present law the companies merely file their new proposed rates, and if no objection is raised the rates become binding and the commission has no authority to prevent their taking effect.

* * *

Advocates of classification may attempt to have the new classification tax proposal submitted to the voters at the presidential primaries April 27. The resolution proposing classification with a 15-mill limit will be the most important question before the legislature this week.

Rural members in the house are expected to oppose resubmission of the class tax proposal. If sentiment to resubmit should prevail they will try and postpone the time for a vote on it until the November election or at least until the pirimaries in August.

It will be remembered that when the classification proposition was up before the assembly a year ago its advocates first sought to have it submitted at a special election in May. Farmers opposed this because it would bring the election right in the busy season on the farm. They succeeded in having the election put off until November.

To have the question submitted at the next April primaries would again catch the farmers in their busiest season.

* * *

If the legislature decided to submit the new class tax proposal in April and the proposition carries, then the present assembly would return to Columbus early in the summer to enact the necessary legislation to put the new taxation program into effect.

Advocates of the plan declare that if this proposal should meet the approval of the voters it would remove the most serious objection to the graduated motor vehicle tax and would make possible the enactment of a scientific income tax law.

Under the uniform rule of taxation an income tax law can not be adopted, it is declared, without giving rise to the objection that it is double taxation.

PROHIBS TO STAY IN FIELD

Columbus, Feb. 5—(Special.)—The Prohibition party does not intend to go out of existence despite the fact that national prohibition has been attained.

State Chairman Gillilan, of the Ohio Prohibition party, announced that the state convention would be held here May 27. At this time, besides choosing the candidates for the state ticket delegates will be selected for the national convention at Lincoln, Neb., July 21.

Don't Treat Kidneys Rough. Warns Dr. Carey Specialist

Constant Flushing May Injure the Delicate Organism and Seldom Removes the Poisonous Deposits

Now that Dr. Carey, kidney and bladder specialist, has retired from active practice, he generously warns people that even the smallest symptoms of kidney trouble should have serious attention

Backache for instance, puffiness under or specks floating before the eyes, heavy feet and dry skin, are also danger signals.

"Thousands die yearly because they neglect their kidneys," says Dr. Carey "and I feel upon retiring that I should tell all who even suspect kidney or bladder trouble about my prescription, Marshroot, which, during my active practice has cured thousands of all kinds of kidney ailments."

This prescription has been given to America and is dispensed by them under the name Dr. Carey's Marshroot, a name that every sufferer from kidney trouble should remember. M. E. Treat, and Bolger & French can supply you.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without griping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would not think of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

STILL THEY COME

Ever since the start of our big sale the store has been crowded each day. The people of Salem are just beginning to see what a big saving we are giving them.

HOMEWORTH

Mrs. Dean Livensberger, of Paris, and Mrs. Frank Ickes and son, of East Greenville, visited relatives in this vicinity over Sunday.

Mrs. A. J. Bush is very ill at this time.

Elmer Thomas, of Canton, is very ill.

J. D. Scott is very ill, and is in the Canton hospital.

Mr. and Mrs. Lloyd Smith, of East Rochester, moved to Homeworth last week.

Rev. Kirkpatrick is seriously ill.

J. M. Thomas has been very ill the past few days.

Ross McPeek, who has been in a critical condition for some days past, is very little improved.

Fred E. Fieren, who has been very ill the past week is able to be up.

Fred R. Archer and son, Dale, who have been very ill, are some better.

George Malone and Don Noble are very ill.

Mrs. Catherine Bush and daughter, Mrs. Dean Livensberger, visited Mrs. Curtis Haines in Alliance Monday. Mrs. Haines is a daughter of Mrs. Bush, and is very seriously ill.

Mrs. Maggie Braid, aged 67 years, died Saturday from pneumonia. The deceased is survived by three children. Her husband died a number of years ago. Mrs. Braid was a kind Christian woman, a faithful church member and highly respected by a wide circle of friends who deeply regret her death. The funeral was held Monday at the East Beech church.

Mr. and Mrs. Marion Mangus, of Alliance, were the guests of Mr. and Mrs. J. B. Mattie Sunday.

Mrs. S. D. Sanor has a public sale at her home one mile and a half southeast of Homeworth Thursday afternoon, February 5.

Nettie, daughter of Mr. and Mrs. Harvey H. Sanor, who has been very ill, is improving.

Mr and Mrs. Marion Stump were in Canton Friday.

Mrs. J. E. Pilmer was taken to the Alliance City hospital Sunday where she underwent an operation Monday morning.

George Kiel, Jr., of Alliance, was busy in the Homeworth oil field Monday.

H. H. Heffner received two carloads of coal last week. It went like hot cakes in January.

BORROW MONEY TO FIGHT

Youngstown, Feb. 5—(Special.)—City council has ordered a bond issue for $25,000 to be used by the board of health in fighting the Spanish influenza epidemic. Immediately following another ordinance was passed authorizing the mayor and auditor to borrow $25,000 in anticipation of the sale of bonds. The funds will be borrowed from a local bank and when the bonds are sold the bank will be reimbursed.

WANTED AT ONCE — CLEAN COTTON RAGS AT NEWS OFFICE

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c.

You Don't Know What a Really Good Liniment will do Until You Try "Houstonia."

Most liniments act as a counter irritant on the surface and give only temporary relief. Houstonia is different. Gets right under the skin. Penetrates to the source of the trouble. Rub if you want to—it won't burn or blister—but you don't have to. It goes in anyway. Contains just what is necessary to help Nature limber up stiff muscles, ease twinging, throbbing joints, and give immediate relief to sufferers from backache, lumbago, stiff neck, colds in the chest, sore-throat and kindred ailments. It penetrates to the affected parts and scatters congestion. Truly Nature's Aid. Ask for Houstonia, pronounced House-tone-e-ah (The Original Jones Liniment) at all druggists, 25, 50 cents and $1.00. The same old price. No profiteering. The Dr. J. C. Jones Company, So. Charleston, Ohio.

Bolger & French have it in stock.

DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

30c and 60c jars; hospital size $2.50.

MUSTEROLE WILL NOT BLISTER

The Best Ones Yet!

Fine modern home of seven rooms and reception hall; open stairway, also back stairway; oak finish downstairs; beautiful grate and mantle in livingroom; finished attic; splendid laundry; cellar divided into three parts; stone foundation; large veranda; good barn; maple shade; flagstone walks; large lot. This property is located on Lincoln avenue and a real bargain at $6700.

Good modern house of seven rooms; excellent hot air heater; slate roof; nice veranda; good lot. This property is located on one of Salem's best paved streets. Price only $4000.

Good house of five rooms; gas; inside toilet; slate roof; splendid lot 50x200; fruit; easy payments—$2000.

House of five rooms with gas and city water; also a house of four rooms located on the same lot, which is on a good paved street. This entire property can be bought on easy payments for $1800.

Five acres with beautiful frontage on one of the nicest roads leading from the city. The location is within 200 feet of the city limits with gas and electricity available; two excellent springs; land all under high state of cultivation. This is the first time this property was ever offered for sale. Price $2500.

Nine and one-fourth acres just outside the city limits on the Stark Electric; splendid house of seven rooms, with slate roof, gas, well and cistern water in kitchen; good barn; running spring water in pasture. Valuable frontage can be sold from this property. Think of it, just the price of an ordinary property in the city with only a lot. Free city school; road paved and paid for; for $5000.

RURAL CARRIERS ASK RAISE

Washington, Feb. 5.—Rural mail carriers are resigning at the rate of 50 per day, W. D. Brown, representing the National Rural Mail Carriers association, told the senate postal committee today, adding that the service faced serious difficulties unless financial relief was accorded the employes soon.

He asked a permanent increase of approximately 60 per cent over the present base pay of $1,200 per annum, with a minimum base of $1,920. The increased annual expense would be about $78,000,000, he said.

SUTSIDERS CLOG

(Continued from first page.)

actions, the ultimate result, nine times out of ten is a failure, so far as the plaintiff is concerned. In contested cases witnesses are on hand for the defendant to challenge the testimony of the witnesses of the plaintiff. It has always been so, so far as the divorce court records of this county show.

Some amusing incidents are at times brought to light in the divorce actions filed here. It has not been so many moons ago that a husband filed an action for divorce in court here. He lived in the vicinity of Salem, and his wife resided in Altoona, Pa. Service was obtained on the wife by mail. The following day, and as soon as the wife could arrange to catch the next train the defendant arrived in Salem. Within a few hours marital difference had been ironed out and both appeared in court the following day and asked that the action be dismissed. The husband and wife are now happily living together.

It is also observed that a rather well known social leader of Pittsburg not knowing the laws of Ohio, took up her residence in this county, and for a year kept her own counsel. It was later observed that just as soon as the year was up this wife rushed into court with a divorce petition, and in due time service was obtained upon her husband in Pittsburg. A contest resulted, and Judge Barnum, of Youngstown, who was assisting on the bench here at the time, refused the petition. During the course of the case, the plaintiff learned that it required but 30 days to establish a legal residence and she immediately moved over to Youngstown, there to remain the required time before filing another action in divorce. Again the case was up before Judge Barnum, whom the plaintiff did not know was from another county when the first case was heard.

When the case was called for hearing, the attorney for the defendant who also handled the case when it was formerly up in court here said:

"Your Honor, this case is identical with the one you recently heard when assisting the honorable court of Columbiana county."

"It is? Petition of the plaintiff dismissed," this bluntly by the court.

Court records show that on an average, approximately 150 actions in divorce are filed in this county annually. Official records show that there were 61 cases held over from the preceding year, and that the total cases recorded on last reports made to the state detailed 262 cases undecided at that time.

Have Strong Nerves and Vigorous Body

Evans Triple Phosphates Create Energy, Ambition and Forcifle Courage in Weak, Run Down Nervous People

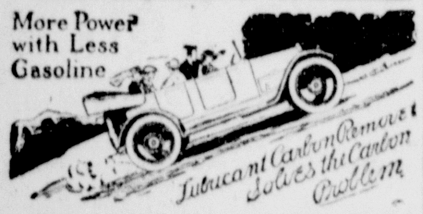
Don't grow old before your time, don't let nervousness wreck your happiness or chances in life. The man or woman with strong, steady nerves is always full of vigor, energy, ambition and confidence.

You can have forceful nerves, firm step, new courage and keen mind by putting your nerves in first class shape with Evans Triple Phosphates.

Take a regular dose in a wine glass of plain water before meals and at bed time for one week. You will then feel as the perfect athlete feels, strong, vigorous and full of priceless ambition.

You'll look on life and on your regular duties with a feeling altogether different after a few days and people who are taking all kinds of medicine for stomach, liver and bowel troubles will find as they become strong and more keen minded that these troubles pass away.

All good pharmacists dispense Evans Triple Phosphates in the original bottle. Treat's drug store keeps it on hand all the time and says the demand is increasing every day.



More Power with Less Gasoline
Lubricant Carbon Remover Solves the Carbon Problem

LUBRICANT CARBON REMOVER SOLVES THE CARBON PROBLEM

When your motor loses power, when it knocks, bucks and overheats, don't monkey with the carburetor. Send for a can of Lubricant Carbon Remover and pour two to four tablespoonsful into each spark plug hole. Follow directions and the motor will do the rest. It works like a cathartic. You will see the proof in the cleaned spark plugs, and you will get more power and more miles out of every gallon of gasoline. Every can guaranteed.

Price, $1, prepaid. Agents wanted.

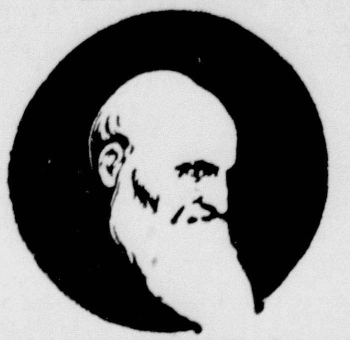
Feeble Old People

Gain Strength and Vigor rapidly on Vinol, our Cod Liver and Iron Tonic.



Vinol contains the very elements needed to replace weakness with strength, just as it did for this New York man.

"I am 74 years of age and got into a weak, run-down condition as a result of the grippe. Our druggist suggested Vinol to build me up and I noticed an improvement soon after taking it, and it has restored my strength so I can now do a good day's work. My wife has also taken Vinol for a run-down condition with splendid results."

NOTE:—Your leading druggist has for many years specially recommended Vinol because he knows there is nothing better than this famous Cod Liver and Iron Tonic to create strength and build one up. The formula of Vinol is on every label.

Your money back if it fails.

SOLDIERS LIKED THE PRINCE

Heir to British Throne Fond of Mingling With the Fighters, When He Was Permitted.

In the front lines a Canadian soldier was building a fire one cold night of late autumn. Out of the night behind him came a footstep. He turned, and became doubly alert when he saw that the man was not an officer of his regiment. The visitor approached the blaze, held his hands out over it and said:

"This fire certainly looks good to me."

The tone was pleasant enough, and suspicion was almost unarmed when the voice went on:

"Have you wood enough? If you haven't I'll get you some more."

The fire builder felt some regret that any suspicion whatever remained, but there had been a special warning against strangers not of one's own regiment. In response to it he was about to question the newcomer closely, when an officer whom he did know came within the firelit circle and addressed the stranger:

"Your royal highness, it is best that you return to the automobile at once."

And the prince of Wales reluctantly left the fire and returned to the place where he officially belonged. It was not the first time he had left that place of his own accord and gone forward among the men. The Canadian who tells the story learned afterward that the prince's staff had its hands full to keep him from breaking away from the official circle prescribed for him and mingling with the men on their own ground.

The poet seems to be almost alone in keeping production fully abreast of the demand.

OUT O' ORDER STOMACHS

Indigestion, Acidity, Sourness and Gases ended with "Pape's Diapepsin"

The moment you eat a tablet or two of Pape's Diapepsin all the lumps of indigestion pain, the sourness, heartburn and belching of gases, due to acidity, vanish—truly wonderful!

Millions of people know that it is needless to be bothered with indigestion, dyspepsia or a disordered stomach. A few tablets of Pape's Diapepsin neutralize acidity and give relief at once—no waiting! Buy a box of Pape's Diapepsin now! Don't stay dyspeptic! Try to regulate your stomach so you can eat favorite foods without causing distress. The cost is so little. The benefits so great.

GRAY HAIR TELLS TALES. TINT IT!

TRIAL PACKAGE SENT FREE

Gray hair is a tattle-tale. Don't endure it until you are really old. If at forty you still feel young then take the trouble to look young. For to look and feel young is to be young. It is just as easy to keep your hair young and beautiful as to retain your youthful interest in life and people. Tint the gray, faded, streaked strands with "Brownatone," as thousands of women have done.

"Brownatone Is My Best Friend."

This wonderful preparation does not rub or wash off. If you want a delightful surprise, just brush or comb a little "Brownatone" through your gray, streaked, or bleached hair and see it change like magic to golden, soft or deep rich brown, or black—any shade desired—the exact color to set off your complexion.

Absolutely Harmless.

"Brownatone" is odorless, greaseless, and positively non-injurious. Guaranteed to contain no lead, sulphur, silver, mercury, zinc, aniline, or coal tar products. Used for switches as well as growing hair. Two colors: "Light to Medium Brown" and "Dark Brown to Black." Two sizes, 35c and $1.15, at all leading druggists.

Bits of Secret Far Eastern History.

The after-dinner confidential chat of a British naval officer with a French bluejacket at a Sydney ball in 1853 cost the British empire New Caledonia. Our French friend had for many days cast longing eyes on Captain Cook's discovery of 1794. So had we. But the hint given of our intention to annex enabled our rivals to land and take possession three hours before we came to the scene. Thus we lost not only New Caledonia and the adjacent isles, but the Loyalty group and the New Hebrides; for it is an open secret that the throat of the impossible New Hebrides condominium will soon be cut and France will gather in this gem of the Pacific. It may bring balm to remember that as the French beat us on the post for New Caledonia so we beat them by a nose for Maoriland in almost exactly the same way.—Sydney Bulletin.

ROOTED DISLIKE FOR JAPS

Chinese Look With Suspicious Eyes on Actions of the Subjects of the Mikado.

It was in the quaint, terraced city of Foochow, China. The bearers of my sedan chair pointed out to me a fine gray building against the hillside and exhausted their collective store of English trying to tell me what it was.

"Japanese hospital," said one, with a knowing air, as if he could say more if he would.

"To cure sick Japanese?" I asked, wondering whether there was a sufficiently large colony to support an institution of such size.

It took some time for this question to percolate through their heads. When at last it did so, there was more excitement in their answers than mere statements of facts would warrant.

"Japanese make Chinese well. Japanese say 'Chinese man—him very sick; must make well.'"

There was inarticulate sarcasm in their manner. At last one of them found the English he was after, and came out with it: "Japanese no love Chinese man," he said. "Then why make Chinese man well?"

It seems that Japanese were beginning to realize that American philanthropy, represented by the missions and by the Rockefeller foundation, was creating good-will for the United States. So they, too, decided to become philanthropists, and some fine Japanese hospitals for the Chinese were the result. The Chinese, however, still distrust the move. They cannot be sure that it has the genuine unselfishness of Christian propaganda. They tell tales about machine guns concealed in the hospitals and soldiers who reconnoiter by night. I never heard these rumors substantiated, but I did meet a seemingly benevolent young surgeon and a Japanese nurse with the sweetest face in the world.—Marjorie Barstow in World Outlook.

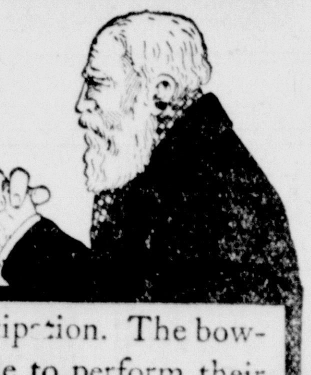
LAXATIVE for Aged People



THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Chamberlain's Tablets

Eyes Are Worth As Much As Life Itself!

If you become totally blind, accident insurance companies will give you as much as if you were killed. Blindness is looked upon as a living death. Blindness has a horror for everyone.

Yet investigations indicate that at least half of us are partly blind. Scientists estimate that seven out of every ten people do not see correctly. Only two of these seven are wise enough to wear glasses that produce accurate sight. The other five are going through life handicapped by dangerous unnecessary eyestrain.

These strains disturb the entire nervous system. They cause headaches, "nerves," irritability and depression. In fact their efforts are so far reaching that every part of the body works with reduced efficiency. Health, happiness and ability are all governed by the condition of your eyes.

To neglect your eyes is to take chances with your most precious bodily possession. Save your eyes. Have poor eyesight corrected before it injures your health.

Brown's trip home was a pleasurable one

"My dear sister: I reached home a week ago after a delightful trip through the mountains. The scenes were beautiful and, thanks to my Kryptok Glasses, I could actually see them without being compelled to remove my glasses every time I looked up from my newspaper.

Kryptoks define near and far objects so clearly that I realize I didn't really see things before. You're right, sister, eyesight efficiency is the most important of all. These Kryptoks add a whole lot to the force of a man's personality. My wife says they are becoming too, and that I look and act younger.

Our eyesight is our most precious possession—we cannot be too good to our eyes. I want to thank you for recommending Drs. W. C. and T. Estelle Wright, Ophthalmologists, 68½ Main St., Upstairs, to me, because they certainly were thorough in their examination of my eyes and accurate in their fitting of my Kryptoks.

They laughed when I told them of the way you commented on my awkwardness in putting on my glasses to read and removing them to see off at any distance. They said you were even more clumsy than I, before you wore Kryptoks.

Sincerely,
Ben."

THE M. S. & K. GAS & OIL COMPANY

OF PITTSBURGH, PA.

Strictly a business proposition. No salaried officers. Best buy and best leasehold in the wonderful **McKEESPORT GAS FIELD**, a suburb of Pittsburgh.

3==Gas Wells==3

To be drilled at once. Here is a great opportunity for those who have a large or small amount to invest.

The first investors in this wonderful Gas and Oil district of McKeesport reaped a harvest in dividends, therefore here is your chance for a greater return, as our leaseholds are nearest all the big producers. Each shareholder will participate in all of the three wells.

OUR PROPERTIES AND LEASEHOLDS CONSIST OF:

1—The Palkovitz Lease on Anticline in heart of Snake Hollow, short distance from latest producer, Phila. Co., 15 millions.

2—Newlin Heirs Lease in the Five Fields on Anticline.

3—Devlin Lease on Anticline proven territory. Good oil prospects.

This is a grand opportunity where you get in on the ground floor and get the benefit of the advance in the market.

CAPITAL, 1000 SHARES—$100 PER SHARE

Stock is selling fast—send in your application at once. Mail coupon today with your money order, check or cash for as many shares as you can afford, and by return mail you will receive your certificate, map, showing location of leases, etc.
